

Your first opportunity to get in second.

The second release of prime Lakeway homesites is your chance to secure a future that's second to none, in what is one of the western suburbs' most sought after areas.

Only 39 families will ever be fortunate to call Lakeway home. So if you're waiting for the economy to improve, prices to come down, or the value of your existing property to go up...well, there's a good chance you'll miss out.

All remaining homesites are available for sale, and represent remarkable value - something you can only appreciate by visiting Lakeway.
